

Examples of protection

4. Loading and unloading process as part of logistics

4.3 Ship loading

Emergency venting and breathing of the ships unloading or loading :

- Deflagration and endurance burning proof pressure and vacuum relief valve KITO® VD/MC-IIA-...-... (E 16.9 N)

Tank venting:

- Deflagration and endurance burning proof pressure and vacuum relief valve KITO® VD/MC-IIA-...-... (E 16.9 N)

Emergency venting :

- Pressure relief valve KITO® EV/o-... (C 10.1.N)

Detonation flame arrester :

- Bi-directional in-line detonation flame arrester, short-time burning proof KITO® EFA-Det4-IIA-...-...-1,2 (G 22 N)
